

PRELIMINARY ANNOUNCEMENT

IEEE LASERS AND ELECTRO-OPTICS SOCIETY  
FIRST ANNUAL MEETING

December 14-17, 1988  
Hilton Hotel, San Francisco, California

C. R. Giuliano, General Chairman  
M. Ettenberg, Program Chairman

The IEEE Lasers and Electro-Optics Society's First Annual Meeting will provide a comprehensive technical program of direct interest to engineers and scientists engaged in laser, quantum electronics and electro-optics applications and research. A proposed one-day overlap with the International Electron Devices Meeting will facilitate sessions of common interest to both groups.
