

Erratum

Correction to: “Planes of Continuous-Wave Oscillations From an Electron Nanocontact Spin-Transfer Device”

G. P. Cameron, D. J. Schraufnagel, W. H. Fjerstad, V. Sokolov, E. S. Daniel, and B. K. Gilbert

Special Purpose Processor Development Group, Mayo Clinic, Rochester, MN 55905 USA

In the above paper [1], the following errors were noted. On page 1938, in the first paragraph, “2–D1 curved lines” should have read “2–D curved lines.” On page 1939, the left side of the second equality in (3) should have had a sine term instead of a cosine:

$$\begin{aligned} H_e \cos \theta_e &= H \cos \theta, \\ H_e \sin \theta_e &= \left[H + \left(\frac{M_0}{\zeta} \right) \right] \sin \theta. \end{aligned} \quad (3)$$
