

## INSTITUTIONAL LISTINGS

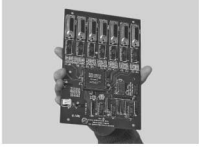

The IEEE Reliability Society is grateful for the support given by the organizations listed below and invites applications for Institutional Listings from other firms interested in the field of Reliability, Maintainability, Testability, Diagnostics, Human Factors, Logistics and Safety.

The charge for an Institutional Listing is \$400 for four consecutive issues. Agency fee is not granted on Institutional Listings. Requests for Institutional Listings should be sent to Scott Abrams, [s.abrams@ieee.org](mailto:s.abrams@ieee.org).
