Correction to "State Transparent Convolutional Codes and Their Novel Maximum-Likelihood Decoding Algorithm"

Hossein R. Sarrafzadeh

In the above paper [1], a typographical error appears on page 1839 as follows:

for every $y_{i-1} \in y_i$ and $y_i \in$

The corrected text should read as follows:

for every $y_{i-1} \in Y$ and $y_i \in$
