

Erratum

Erratum to “An FBG Sensing System Utilizing Both WDM and a Novel Harmonic Division Scheme”

Paul Childs

In the above paper [1], Fig. 7 was mistakenly removed during the final production process. Fig. 7 is provided here. We apologize for this error.

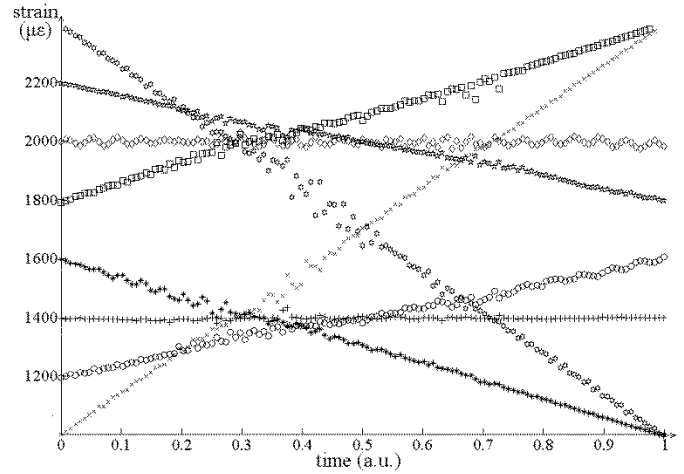

Fig. 7. Simulation results for densely multiplexed system.

Manuscript received February 2, 2005.

The author is with the School of Electrical Engineering, University of New South Wales, 2052 New South Wales, Australia (e-mail: p.childs@student.unsw.edu.au).
