

# IEEE POWER ENGINEERING SOCIETY

The Power Engineering Society is an organization of IEEE members whose principal interest is in the advancement of the science and practice of electric power generation, transmission, distribution, and utilization. All members of the IEEE are eligible for membership in the Society and will receive this TRANSACTIONS upon payment of the annual Society membership fee (\$25.00) plus an annual subscription fee (print: \$27.00; electronic: \$22.00; print and electronic: \$37.00). For information about joining, contact the IEEE using the information below. *Member copies of Transactions/Journals are for personal use only.*
