

To us, IEEE is **ESSENTIAL.**

"IEEE has become the leading organization devoted to the advancement of technology and support of the global engineering community."

Marc Verdiell

Intel Fellow, Director, Optical Technology Office, Intel Corporation

"We count on IEEE journals for the highest quality information in the field."

Meyya Meyyappan

Director & Senior Scientist, Center for Nanotechnology, NASA Ames Research Center

"I depend on IEEE publications as a reliable source of scientific and professional information."

Eugene H. Spafford

Professor & Director, Purdue University

"For my research work it is imperative to have access to the high quality information found in IEEE journals and conference proceedings."

Sri Kumar

IPTO Program Manager, Defense Advanced Research, Projects Agency (DARPA)
