

2016 IEDM Call for Papers

2016

IEEE INTERNATIONAL ELECTRON DEVICES MEETING

*The annual meeting of the Electron Devices Society
will be held at the San Francisco Union Square Hilton
San Francisco, CA, December 3rd–7th, 2016*

New in 2016

To provide faster dissemination of the conference's cutting-edge results, the abstract submission deadline has been moved to August 10th for submission of four-page, camera-ready abstracts. Accepted papers will be published as-is in the proceedings.

Information about IEDM can be found at:

<http://www.ieee-iedm.org>
