

Special Feature

Recognition of 2018 TRANSACTIONS and *Magazine* Papers Reviewers

Thomas A. Nondahl , *Fellow, IEEE*
Editor-in-Chief, IEEE TRANSACTIONS ON INDUSTRY APPLICATIONS

In 2018 the IEEE Industry Applications Society (IAS) reviewed over 2,200 original or revised manuscripts for possible publication in these TRANSACTIONS or *IEEE Industry Applications Magazine*. This Special Feature is offered to recognize the volunteers who reviewed and administered those manuscripts. The list of Reviewers, Associate Editors, and Chairs below is based on data stored in ScholarOne Manuscripts and IAS records. We apologize for any omissions or errors.

Industrial and Commercial Power Systems Department

Chair: Andrew Hernandez, AstraZeneca Pharmaceuticals, USA
Vice Chair - Technical: Rasheek Rifaat, Jacobs Engineering, Canada
Vice Chair - Papers: Massimo Mitolo, Irvine Valley College, USA

Codes and Standards Committee

Chair and Papers Review Chair: Marcelo Valdes, GE, USA

Associate Editors:

Thomas Dionise, Eaton Corp, USA
Gary Fox, ABB Inc, USA
Wei-Jen Lee, University of Texas at Arlington, USA

Reviewers:

Zhaohao Ding, North China Electric Power University, China
Hany Habib, Florida International University, USA
Claudio Mardegan, EngePower, Brazil
Sergio Panetta, I-Gard Corp., Canada
Franklin Quilumba, Oncor Electric Delivery, USA
Michael Simon, Madison Metropolitan Sewerage District, USA
Paolo Tenti, University of Padova, Italy
