

Special Feature

Recognition of 2020 TRANSACTIONS and *Magazine* Paper Reviewers

Dr. Thomas A. Nondahl, *Fellow, IEEE*
Editor-in-Chief, IEEE TRANSACTIONS ON INDUSTRY APPLICATIONS

AUTHORS submitted more than 2600 original and revised manuscripts for possible publication in these Transactions and *IEEE Industry Applications Magazine* in 2020. This Special Feature is offered to recognize the thousands of volunteers who made publication recommendations for those manuscripts during the past year. The names, affiliations, and countries listed below are taken from user profiles stored in ScholarOne Manuscripts. Some of the entries have been edited for consistency in capitalization or length. We apologize for any omissions or errors.
