Corrections to “A Synchronized Switch Harvesting Rectifier With Reusable Storage Capacitors for Piezoelectric Energy Harvesting”

Xinling Yue¹, *Graduate Student Member, IEEE*, and Sijun Du², *Senior Member, IEEE*

IN THE above article [1], page 2605, the changes in Table II are as follows.

The JSSC'19 [11] of the first row is changed to JSSC'19 [8].

The 14/22 in the fifth row (C_p) lacks of an unit and should be 14/22 nF.

In the tenth row (Flipping efficiency) 89.5% is changed to 79%.

The repeated Flipping efficiency row in the second to the last row should be deleted.
