

IEEE ELECTRON DEVICES SOCIETY

The Electron Devices Society is an organization, within the framework of the IEEE, of members with principal professional interest in electron devices. All members of the IEEE are eligible for membership in the Society, and will receive this LETTERS upon payment of the annual Society membership fee of \$18.00, plus an annual subscription fee of \$45.00. The on-line version of LETTERS is available free to all EDS members at www.ieee.org/ieeexplore. For information on joining, write to the IEEE at the address below. Prospective authors should read the Information for Authors section. *Member copies of Transactions/Journals are for personal use only.*
