## Notice of Retraction

S. Bashir, "Real-Time Water and Electricity Consumption Monitoring Using Machine Learning Techniques," *IEEE Access*, vol. 11, pp. 11511–11528, 2023, doi: 10.1109/ACCESS.2023.3241489.

After careful and considered review of the content of this article by a duly constituted expert committee, this article has been found to have violated IEEE publication principles. Specifically, this article copied portions of content from the following article without appropriate reference:

Aida Boudhaouia, "Analyse, classification et prédiction de consommation d'eau et d'électricité par des techniques de machine learning", Thesis, Université de Haute Alsace, January 2022

Therefore, IEEE has retracted the content of this article from Xplore. When informed of the retraction, the author did not respond.
