Corrections to “Experimental Study of Normal Zone Propagation in the Short Sample of Bi-2223/Ag/AgMg Tape in Two Different Cooling Modes”

Mahnaz Abdollahi, Nayereh Abdollahi, Jafar Mahmoodi, and Naser Alinejad

This erratum to [1] corrects an error in the affiliation of the first, second, and last authors, which was incomplete as it was written. The correct and complete affiliation is as follows.

M. Abdollahi, N. Abdollahi, and N. Alinejad are with the Nuclear Fusion, Plasma Physics Research School, Nuclear Science and Technology Research Institute, Tehran 1439951113, Iran.
