

Corrections for “A Mixed-Signal Circuit Technique for Cancellation of Multiple Modulated Spurs in 4G/5G Carrier Aggregation Transceivers”

Silvester Sadjina[✉], Member, IEEE, Ram Sunil Kanumalli[✉], Krzysztof Dufrêne[✉], Senior Member, IEEE, Mario Huemer[✉], Senior Member, IEEE, and Harald Pretl[✉]

In [1], the description of Fig. 8 incorrectly presents the line plots in relation to the legend entries. The correct Fig. 8 and caption are presented here.

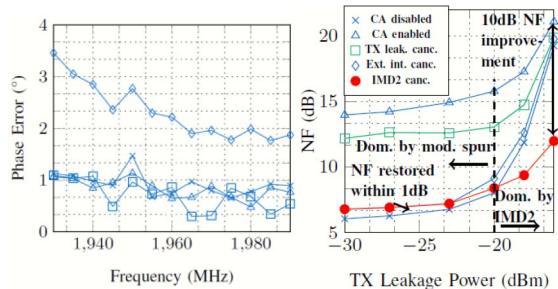

Fig. 8. Phase error of the DLL (left) and illustration of the cancellation performance (right).
