Young Professionals EMC

Louann Mlekodaj, Associate Editor

We are excited to provide the latest and updated information on the Young Professionals (YP) events planned in New Orleans during the 2019 IEEE International Symposium on EMC+SIPI.

The Young Professionals events in New Orleans include two unique activities:

EMC Jeopardy and Social

Date: Monday, July 22, 2019
Time: 4:30 to 7:00 pm
Location: The District, 711 Tchoupitoulas St., New Orleans, LA
Price: $30 (RSVPs required)

The EMC Jeopardy and Social event encourages engineers to test their knowledge against the experts in the following five areas:

1. Military/Space
2. Medical
3. Cellular – 5G
4. Consumer Electronics
5. Basic Electromagnetic Theory

Do you think you have it in you to beat our experts? Come by and find out!! Winners will have an opportunity to win various prizes.

EMC YP Networking Event

Date: Wednesday, July 24, 2019
Time: 9:00 to 11:00 pm
Location: The Rusty Nail, 1100 Constance St, New Orleans, LA
Price: $15 (includes one drink and small appetizer/dessert)

Join us for a casual event to mix and mingle with the Symposium YPs!

News on the Annual Young Professionals Face-to-Face Meeting

An EMC YP representative attended the annual IEEE Young Professionals face-to-face meeting on June 20-21, 2019 in Atlanta, GA. Over 300 IEEE YPs, including 44 Society YP representatives, nine YP Region representatives and 205 YP Affinity representatives attended. The EMC YP representative will share the information from the annual face-to-face with the entire EMC Society in the next issue of the EMC Magazine. You’ll learn about how young professionals are being integrated into the larger engineering community quickly within our own EMC group and other industries.

For more information about the IEEE YP group please visit http://yp.ieee.org

CALL FOR BOOK AUTHORS

PROJECT: EMC Applications Books Initiative

DESCRIPTION: For this project an EMC Applications Book has the following features: 1) applications of EMC disciplines, 2) preferred audience is a hands-on practicing EMC engineer.

PUBLISHER: Wiley-IEEE Press
SPONSORSHIP: IEEE EMC Society

TARGETED PUBLICATION DATE: 2019 and forwards.

COMPENSATION: Royalties paid to author(s) directly.

REQUIREMENTS: Present or past expertise(s) in an EMC discipline. Willingness to write a high quality technical contribution with personal commitment to schedules and deadlines.

RESPONSES DUE DATE: Applications accepted on an ongoing basis.

FORMAT OF RESPONSES: Name, affiliation, contact information, one paragraph of background information concerning your capabilities, title of contribution (see “EMC Subject Areas of Interest”, below) and a brief description of the contribution.

CONTACT INFORMATION: Ray Perez, Wiley-IEEE Press Liaison for the IEEE EMCS, phone: email: reyperez@msn.com . Feel free to contact me for any questions.
